

# A new PlayZone is coming to Bedlington!

**Have your say**  
in your  
community  
PlayZone...

## What is a PlayZone?

A Football Foundation PlayZone is an outdoor space for sport and physical activity. They are floodlit and usually the size of a tennis court or 5-a-side kick around area.

There is funding available to refurbish an existing multi use games area (MUGA) or create a new one. You can choose the sport or sports that you think will most benefit your community.

**We want  
to hear from  
you...**

The PlayZone should be suitable for the sports and activities that it will be used for. Decisions on the design are led by you and your community.

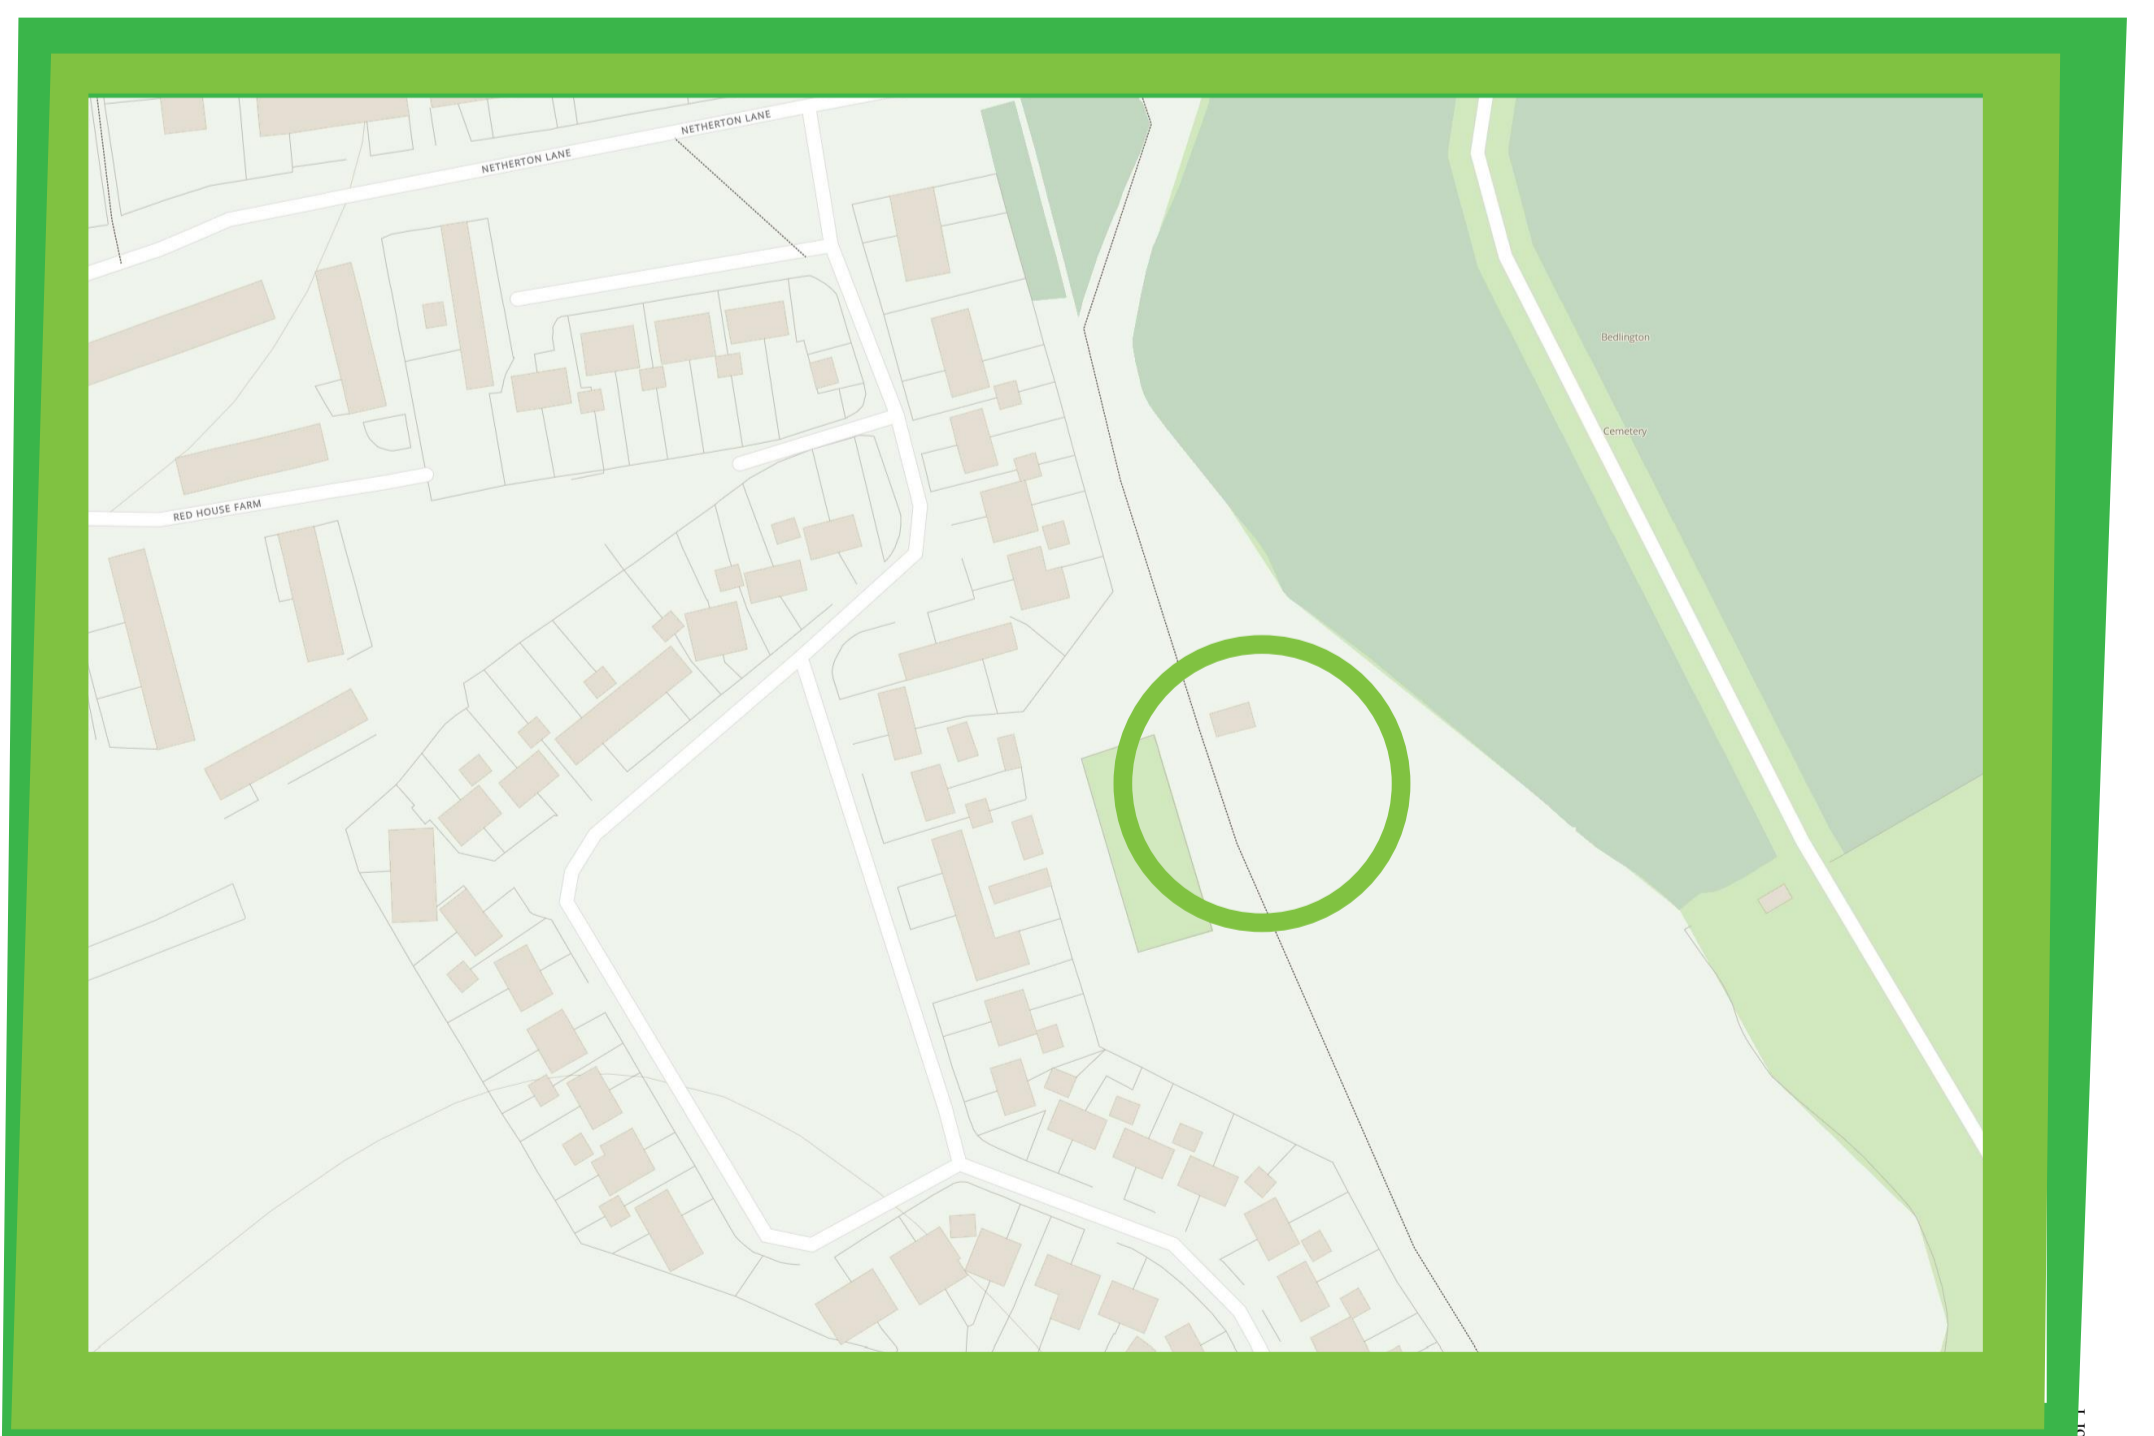

We'd love to hear from you by **Sunday 19th March** through our online survey or through local groups and events.

## Where will the Bedlington PlayZone be?

The proposed site of the new PlayZone is Westlea.

This site has been identified for a new build facility following conversations with local councillors and community groups. It is in the heart of Bedlington West and an area that currently doesn't have an existing multi sports facility.

**Come and have a chat at your local event:**

**Thursday 16th March 4pm - 7pm at Netherton Social Club - refreshments and snacks provided**
